

The above photographs include Wyckoff YMCA, Toms River Intermediate South Gymnasium, Toms River Pine Belt Arena, Rutgers Hale Center Training Facility (adjacent to football stadium), Seton Hall Athletics Training Room Suites, Seton Hall Fitness Center Addition (under construction) and Winding River Ice Rink.

## Facilities for Athletics

Consulting MEP/FP Engineer:  
Luongo Associates, P.A.

### Project Experience:

We have completed a wide range of athletics facilities including those containing natatoriums, ice rinks, aerobics, weight training and dance, gymnasiums, locker and support facilities, field houses and press-boxes for various user groups ranging from K-12 through College and University level athletics, community based recreation facilities and private sports clubs.
