

1300 Clinton Street, Mixed Use Development, Hoboken NJ

Mixed Use Development – Office/Retail/Multi-Family Housing

Consulting MEP/FP Engineer:
Luongo Associates, P.A.

Project Experience:

This new ground up project included grade level covered parking, office and retail shell space and (4) additional stories of apartment units in various configurations for a total of 128 units and 179,700 sqft. Constructed at the corner of 13th street and bounded by Clinton and Grand Streets this new mixed use building was quickly occupied upon completion in 2001.
